- 1.1 These terms and conditions tell you (the **Client**) the terms on which you may register with Brainpool, access our Platform, engage Brainpool as Consultants, or engage Data Scientists to undertake Assignments (capitalised words are terms that are defined in Appendix 3)
- 1.2 You are engaging with Brainpool Limited (**Brainpool**) a company incorporated and registered in England and Wales with company number 10024360 whose registered office is at 1c Downhills Park Road, London, United Kingdom, N17 6PE.
- 1.3 These terms and conditions constitute a legal agreement between you, the Client and us, Brainpool. By registering with us or accessing or using the Platform, by requesting us to act as your Consultants, or by requesting us to supply a Data Scientist to undertake an Assignment you agree to these terms and conditions. If you do not agree to these terms and conditions then you may not register with us, access or use the Platform or ask us to act as your Consultant or ask us to provide a Data Scientist to undertake an Assignment.
- 1.4 These terms and conditions apply to the exclusion of any other terms that the Client seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.
- 1.5 Information regarding the interpretation of these terms and conditions are set out in Appendix 3.

2. SUPPLY OF SERVICES

- 2.1 Brainpool may be engaged on an Assignment for the Client as a Consultant for which, in addition to these terms and conditions, the terms set out in Appendix 1 shall apply, or it may be engaged to supply the services of a Data Scientist on an Assignment for which, in addition to these terms and conditions, the terms set out in Appendix 2 shall apply. The relevant Terms of Commitment shall also apply to this agreement as if set out here in full. Where a conflict arises these terms and conditions take precedence over the terms set out in the relevant Appendix but where a conflict arises the content of the Terms of Commitment supersede any terms and conditions set out herein and the terms set out in the relevant Appendix.
- 2.2 Where a Client has a potential Assignment, it shall provide the **Required Assignment Information** as relevant to the type and form of Assignment upon which it wishes to engage with Brainpool (examples of such information is set out in the relevant Appendix).

- 2.3 The parties recognise that the Required Assignment Information may not be finalised until, or after, to the Assessment Day, but the Client warrants that when it initially provides the Required Assignment Information, such information shall, as far as practicable, be accurate and complete.
- 2.4 Based on the information provided by the Client pursuant to clause 2.2 Brainpool will create a draft specification of the Assignment in collaboration with the Client.
- 2.5 If the Client wishes to proceed with an Assignment, it shall, as a condition of doing so, execute Terms of Commitment. Such Terms of Commitment shall reflect the agreed terms of the Assignment. If, at this stage, any of the Required Assignment Information differs from the Required Assignment Information provided pursuant to clause 2.2, the Client shall notify Brainpool of such differences prior to executing the Terms of Commitment.
- 2.6 Any change to, or extension of, the work set out in Terms of Commitment must be reflected in a new, or an amended Terms of Commitment.

3. CLIENT'S OBLIGATIONS

- 3.1 The Client shall:
- (a) ensure that all data that it supplies to Brainpool are complete and accurate;
 - (b) co-operate with Brainpool in all matters relating to the Assignment;
 - (c) provide Brainpool, its employees, agents, consultants and subcontractors, with access to the Client's premises, office accommodation and other facilities as reasonably required by Brainpool;
 - (d) provide Brainpool with such information and materials as Brainpool may reasonably require in order to execute and complete the Assignments, and ensure that such information is accurate in all material respects;
 - (e) obtain and maintain all necessary licences, permissions and consents which may be required before the date on which the Assignment is to start;
 - (f) keep and maintain all materials, equipment, documents and other property of Brainpool (**Supplier Materials**) at the Client's premises in safe custody at its own risk, maintain Brainpool Materials in good condition until returned to Brainpool, and not dispose of or use Brainpool Materials other than in accordance with Brainpool's written instructions or authorisation;
 - (g) comply with any additional obligations notified to it by Brainpool from time to time.
- 3.2 If Brainpool's performance of any of its obligations during an Assignment is prevented or delayed by any act or omission by the Client or failure by the Client to perform any relevant obligation (**Client Default**):

- (a) Brainpool shall without limiting its other rights or remedies have the right to suspend performance of the Assignment until the Client remedies the Client Default, and to rely on the Client Default to relieve it from the performance of any of its obligations to the extent the Client Default prevents or delays Brainpool's performance of any of its obligations;
- (b) Brainpool shall not be liable for any costs or losses sustained or incurred by the Client arising directly or indirectly from Brainpool's failure or delay to perform any of its obligations as set out in this clause 3.2; and
- (c) the Client shall reimburse Brainpool on written demand for any costs or losses sustained or incurred by Brainpool arising directly or indirectly from the Client Default.

4. CHARGES AND PAYMENT

- 4.1 The basis for charging for each Assignment shall be set out in the Terms of Commitment and the method of calculation and payment of Assignment Fees are set out in the relevant Appendix 1 or Appendix 2.
- 4.2 Once Terms of Commitment have been executed in respect of an Assignment, but prior to (and as a condition of) commencement of the Assignment, the Client shall pay an initial fee of £500 (the **Commitment Fee**) in relation to that Assignment.
- 4.3 The following conditions apply to the Commitment Fee:
 - (a) if the Assignment is completed in accordance with these terms and conditions and the Terms of Commitment, the Commitment Fee shall be offset against the final invoice payable by the Client in connection with the Assignment;
 - (b) if the Client materially breaches, or otherwise materially fails to adhere to, the terms of the Terms of Commitment, Brainpool shall retain the Commitment Fee (without it being offset against any invoice payable by the Client).
- 4.4 All moneys due will be paid by the Client within 14 days of the date of invoice by Brainpool. Any breach of this clause 4.4 will entitle Brainpool to terminate (without liability) each and every co-existing Assignment between Brainpool and the defaulting Client pursuant to clause 7.4(a).
- 4.5 All amounts payable by the Client are exclusive of amounts in respect of value added tax chargeable for the time being (**VAT**). Where any taxable supply for VAT purposes is made by Brainpool to the Client, the Client shall, on receipt of a valid VAT invoice from Brainpool, pay to Brainpool such additional amounts in respect of VAT.
- 4.6 If the Client fails to make any payment due to Brainpool by the due date for payment, then the Client shall pay interest on the overdue amount at the rate of 4% per cent per annum above Bank of England's base rate from time to time. Such interest shall accrue on a daily

basis from the due date until actual payment of the overdue amount, whether before or after judgment. The Client shall pay the interest together with the overdue amount.

- 4.7 The Client shall pay all amounts due in full without any set-off, counterclaim, deduction or withholding (except for any deduction or withholding required by law). Brainpool may at any time, without limiting its other rights or remedies, set off any amount owing to it by the Client against any amount payable by Brainpool to the Client.
- 4.8 The Client shall not be entitled to any refund of or rebate in respect of Assignment Fees unless Brainpool determines otherwise in its absolute discretion.

5. INTELLECTUAL PROPERTY RIGHTS

- 5.1 All Intellectual Property Rights in or arising out of or in connection with work done during an Assignment shall be owned by the Client. All Background Intellectual Property shall remain vested in Brainpool or its licensees but where applicable the Client shall be granted a free of charge, non-exclusive, non-transferable licence to use (but not to translate, adapt or amend) Background Intellectual Property for the purposes for which it was supplied.
- 5.2 Brainpool shall, at the cost and expense of the Client, execute all such documents and do all such acts as the Client may reasonable require from time to time in order to give effect to the ownership rights noted and licensed rights granted in this clause 5.
- 5.3 The Client acknowledges that, in respect of any third party Intellectual Property Rights, the Client's use of any such Intellectual Property Rights is conditional on Brainpool obtaining a written licence from the relevant licensor on such terms as will entitle Brainpool to license such rights to the Client.

6. LIMITATION OF LIABILITY

- 6.1 Nothing in the agreement shall limit or exclude Brainpool's liability for:
- (a) death or personal injury caused by its negligence, or the negligence of its employees, agents or subcontractors;
 - (b) fraud or fraudulent misrepresentation; or

6.4 The Client shall protect, indemnify, defend and hold harmless Brainpool and any successor to Brainpool (and, to the extent required by Brainpool or any successor from time to time, its officers, agents, and employees) from and against any and all expenses, damages, claims (whether valid or invalid and whether deemed alleged or upheld), suits, losses, actions, judgments, liabilities, and costs whatsoever (including legal fees on a full indemnity basis) arising out of or in connection with:

- (a) any failure by the Client to comply with its obligations in respect of the Required Assignment Information.
- (b) any act, omission or default on the part of the Client, or any employee, officer or agent of the Client, including where such acts, omissions or defaults occur during the course of an Assignment or in respect of an Assignment or a potential Assignment.

6.6 This clause 6 shall survive termination of the agreement.

7. TERM AND TERMINATION

7.1 This agreement shall commence on the date on which it has been executed by both parties and shall continue, unless terminated earlier in accordance with this clause 7, until either party gives to the other party three months' notice to terminate, expiring on or after the first anniversary of the date of commencement.

7.2 Without limiting its other rights or remedies, either party may terminate any Assignment by giving the other party one month's written notice. Provision has been made in Appendix 2

clause 3.2(c) for Brainpool to terminate an Assignment if it does not agree with a Dissatisfaction Notice, such termination shall be at its discretion, and without liability.

7.3 Without limiting its other rights or remedies, either party may terminate the agreement with immediate effect by giving written notice to the other party if:

- (a) the other party commits a material breach of any term of this agreement and (if such a breach is remediable) fails to remedy that breach within 14 days of that party being notified in writing to do so;
- (b) the other party repeatedly breaches any of the terms of this agreement in such a manner as to reasonably justify the opinion that its conduct is inconsistent with it having the intention or ability to give effect to its obligations;
- (c) the other party takes any step or action in connection with its entering administration, provisional liquidation or any composition or arrangement with its creditors (other than in relation to a solvent restructuring), being wound up (whether voluntarily or by order of the court, unless for the purpose of a solvent restructuring), having a receiver appointed to any of its assets or ceasing to carry on business or, if the step or action is taken in another jurisdiction, in connection with any analogous procedure in the relevant jurisdiction;
- (d) the other party suspends, or threatens to suspend, or ceases or threatens to cease to carry on all or a substantial part of its business; or
- (e) the other party's financial position deteriorates to such an extent that in the terminating party's opinion the other party's capability to adequately fulfil its obligations under these terms and conditions has been placed in jeopardy.

7.4 Without limiting its other rights or remedies, Brainpool may terminate any Assignment with immediate effect by giving written notice to the Client if:

- (a) the Client fails to pay any amount due on the due date for payment and remains in default not less than 14 days after being notified in writing to make such payment;
- (b) the other party (being an individual) dies or, by reason or illness or incapacity (whether mental or physical), is incapable of managing his own affairs, or becomes a patient under any mental health legislation; or
- (c) there is a change of Control of the Client.

7.5 Without limiting its other rights or remedies, Brainpool may suspend provision of the Services under the agreement or any other agreement between the Client and Brainpool if the Client becomes subject to any of the events listed in clause 7.3(c) to clause 7.3(e) or Brainpool reasonably believes that the Client is about to become subject to any of them, or if the Client fails to pay any amount due under this agreement on the due date for payment.

8. CONSEQUENCES OF TERMINATION

8.1 On termination of the agreement for any reason:

- (a) the Client shall immediately pay to Brainpool all of Brainpool's outstanding unpaid invoices and interest and, in respect of any Assignments part completed but for which no invoice has been submitted, Brainpool shall submit an invoice, which shall be payable by the Client immediately on receipt;
- (b) the Client shall return all of Brainpool Materials. Until they have been returned, the Client shall be solely responsible for their safe keeping and will not use them for any purpose not permitted under these terms and conditions;
- (c) the accrued rights, remedies, obligations and liabilities of the parties as at expiry or termination shall be unaffected, including the right to claim damages in respect of any breach which existed at or before the date of termination or expiry; and
- (d) clauses which expressly or by implication survive termination shall continue in full force and effect.

8.2 On termination of this agreement every Assignment that has not already been individually terminated, or completed, shall also terminate with immediate effect.

9. GENERAL

9.1 **Announcements.** No party shall make, or permit any person to make, any public announcement concerning this agreement without the prior written consent of the other party (such consent not to be unreasonably withheld or delayed), except as required by law, any governmental or regulatory authority (including, without limitation, any relevant securities exchange), any court or other authority of competent jurisdiction.

APPENDIX 1

1. Acting as a Consultant

2. These supplemental terms apply to the supply of consultancy services by Brainpool to the Client.

Once signed by the Client the parties agree that each Terms of Commitment sets out the full specification for the said Assignment. Any changes to the specification or any part thereof for any particular Assignment will be recorded in writing by Brainpool as a change to the relevant Terms of Commitment notice of which will be delivered to the Client by Brainpool.
5. Brainpool shall supply its services as a consultant to the Client in accordance with the agreement, this Appendix 1 and the Terms of Commitment in all material respects.
6. Any changes to the Terms of Commitment in relation to an agreed timetable or other deadlines will be communicated to the Client by Brainpool. Brainpool shall use all reasonable endeavours to meet any performance dates specified in the Terms of Commitment, but any such dates shall be estimates only and time shall not be of the essence for performance of the Assignment.
7. Brainpool shall have the right to make any changes to the Assignment which are necessary to comply with any applicable law or safety requirement, or which do not materially affect the nature or quality of the work done or deliverables supplied under the Assignment, and Brainpool shall notify the Client in any such event.

9. Brainpool shall invoice the Client ahead of the start of any phases outlined in the Terms of Commitment, or at its absolute discretion on completion of the Assignment.

10. The Client shall pay each invoice submitted by Brainpool:
 - a. within 14 days of the date of the invoice, unless otherwise agreed; and
 - b. in full and in cleared funds to a bank account nominated in writing by Brainpool, and

 - c. time for payment shall be of the essence of the agreement.

APPENDIX 2

1. Acting as an Employment Business

These supplemental terms set out the agreement between Brainpool and the Client for the supply of Data Scientists by Brainpool to the Client. For the purposes of the Conduct Regulations 2003, Brainpool acts as an employment business in relation to the Introduction and supply of Data Scientists pursuant to this agreement.

2. Assignments

2.1 Where a Client has a potential Assignment, it shall provide the following information (the Required Assignment Information):

- a) its identity and if applicable the nature of its business
- b) the date on which the Client requires the Data Scientist to commence work and the duration, or likely duration, of the work;
- c) the position which the Client seeks to fill, including the type of work the Data Scientist in that position would be required to do, the location at which, and the hours during which, the Data Scientist would be required to work, and any risk to health or safety known to the Client and what steps the Client has taken to prevent or control such risks;
- d) the experience, training, qualifications and any authorisation which the Client considers are necessary, or which are required by law, or by any professional body, for the Data Scientist to possess in order to work in the position;
- e) any budget restrictions that the Client has and the proposed Rate of Pay;
- f) any expenses payable by or to the Data Scientist.

2.2 The parties recognise that the Required Assignment Information may not be finalised until, or after, to the Assessment Day, but the Client warrants that when it initially provides the Required Assignment Information, such information shall, as far as practicable, be accurate and complete.

2.3 Based on the information provided by the Client pursuant to clause 2.1 Brainpool will endeavour to Introduce to the Client one or more Data Scientists to undertake the potential Assignment.

2.4 If the Client and a Data Scientist to whom the Client has been introduced wish, in principle, to proceed with an Assignment, the Client shall (unless each of Brainpool, the Data Scientist and the Client agree otherwise) attend a meeting with the Data Scientist (or engage with

Brainpool via an agreed form of remote communication) (the Assessment Day) to discuss and agree the following matters:

- a) the work to be undertaken during the Assignment;
- b) the Data Scientist's initial proposed methodology for completing the work (recognising that, if appropriate, the methodology may change during the course of the Assignment); and
- c) either the total number of Days' work, or the number of Days per week, which the Data Scientist will be required to work

2.5 If the Client wishes to proceed with an Assignment, it shall, as a condition of doing so, execute Terms of Commitment. Such Terms of Commitment shall reflect the terms agreed by the Data Scientist and the Client at the Assessment Day. If, at this stage, any of the Required Assignment Information differs from the Required Assignment Information provided pursuant to clause 2.1, the Client shall notify Brainpool and the Data Scientist of such differences prior to executing the Terms of Commitment.

- c) if Brainpool disagrees with the grounds as set out in the Dissatisfaction Notice, it will inform the Client, in which case Brainpool may terminate the

Assignment. For the avoidance of doubt no rebate or refund of Commitment Fee or any Assignment Fees already paid will be, or shall become, due for repayment to the Client under these circumstances.

4. Assignment Fees

4.1 The Client will pay Assignment Fees to Brainpool in respect of Data Scientists. The formula for calculating the Assignment Fees including the applicable Rate of Pay, the Qualifying Period Rate of Pay together with any Other Qualifying Payments and Commission shall be set out in detail in the Terms of Commitment

4.2 The following conditions apply to the Assignment Fees:

a) they are calculated according to the number of complete Days worked by the Data Scientist;

4.3 Brainpool will invoice the Client in respect of the Assignment Fees at the beginning of each week (unless agreed otherwise in Terms of Commitment) in which a Data Scientist is undertaking an Assignment on behalf of the Client.

4.4 In the event of any dispute as to the number of Days worked by a Data Scientist, the Client shall co-operate fully and in a timely fashion with Brainpool to enable Brainpool to establish what Days, if any, were worked by the Data Scientist during the applicable period.

4.5 The Client agrees that it shall not dispute the number of Days in a Data Scientist's time sheet on the basis that it is dissatisfied with the work performed by the Data Scientist. In cases of unsuitable or unsatisfactory work the provisions of clause 3 shall apply.

5. Temporary to permanent

5.1 If, following the Introduction or supply of a Data Scientist by Brainpool to the Client within the Relevant Period, the Client Engages the Data Scientist, the Client will pay Brainpool the Hiring Fee.

5.2 The Hiring Fee will not be payable if the Client gives written notice to Brainpool that it intends to continue the hire of the Data Scientist for a further period of twelve months (an Extended Assignment) before it Engages the Data Scientist other than through Brainpool.

5.3 Where the Data Scientist has previously undertaken an Assignment for the Client –

- a) the Assignment Fees payable by the Client during the Extended Assignment shall be those applicable immediately before Brainpool received the Client's notice of election; and
 - b) the Days of work per month during the Extended Assignment shall be deemed to be the greater of (i) the average number of Days of work undertaken during the Data Scientist's most recent Assignment for the Client and (ii) the number of Days per week actually worked by the Data Scientist during the Extended Assignment
- 5.4 Where there has been an Introduction of the Data Scientist but the Data Scientist has not undertaken any Assignments, the Assignment Fees payable by the Client during the Extended Assignment shall be calculated by reference to –

 - b) such Days per week as the Data Scientist actually works during the Extended Assignment subject to a deemed minimum of one Day per week.
- 5.5 At the end of the Extended Assignment, the Client may Engage the Data Scientist without paying the Hiring Fee.
- 5.6 If the Client chooses an Extended Assignment, but engages the Data Scientist before the end of the Extended Assignment, the Hiring Fee may be charged by Brainpool, reduced proportionately to reflect the amount of the Extended Assignment paid for by the Client.
- 6. Compliance with AWR**
- 6.1 The Client shall at all times comply with its obligations under the AWR 2010, including but not limited to providing any Data Scientists with access to collective facilities and amenities and employment opportunities subject to and in accordance with regulation 12 and 13 of the AWR 2010.

- 6.4 In the event that either party receives an allegation by any Data Scientist that there has been a breach of the AWR 2010 in relation to the supply of that person to the Client by Brainpool

(whether that allegation has been made as a request for information under regulation 16 of the AWR 2010 or otherwise), it shall provide a copy of that allegation to the other party within seven days of receipt. The parties shall co-operate with each other in relation to responding to that allegation, which shall include supplying any information which may be reasonably requested by the other party, and complying with any reasonable requests in relation to the contents of any response.

7. Additional obligations related to Assignments

- 7.1 The Client undertakes to comply with all other obligations, duties and regulations (whether statutory or otherwise and without prejudice to the generality of the foregoing those relating to the place, nature or system of work) in any way arising from or directly or indirectly connected with the services rendered by a Data Scientist.
- 7.2 The Client agrees that to the extent that the Data Scientist shall be subject to supervision, direction and control with regard to the manner, time and place in which the Data Scientist carries out his work during the duration of the Assignment, these shall be matters solely for the Client (notwithstanding the fact that the Data Scientist is not in fact the Client's employee).
- 7.3 Where the Client requests the same in connection with an Assignment, Brainpool agrees that it shall (provided the same is recorded in the Terms of Commitment) not supply the Data Scientist to a Competitor during the course of the Assignment.
